Outreach Seminar

Presented by: Social Security and TARCOG

If you are 65 or older and have Medicare and/or Medicaid, there will be changes to your insurance coverage effective January 1, 2006. Even if you participate in the Madison County Commission SENIOR R_x Program, these changes could have an effect on your prescription drug access. Decisions that will directly impact your prescription drug access will need to be made. To make the best decision regarding your coverage, please plan to attend one of the seminars listed below.
