

Residential Permit Fee Table

NOTE: sf = Square Foot NOTE: pc = Project Cost

 $\label{prop:continuous} \textit{Where a minimum and price factor are present, the greater amount applies}$

	Permit	Rates
Types	Subcategory	Rate and Fees
Building	New Building and Additions	\$150 Minimum (or)
		\$.17 X SF under beam
	Renovations	\$150 Minimum (or)
	Netiovations	\$.0075 X Project Cost
	Roof only	\$75
	Windows only	\$75
		4050.41 ()
	New Pole Barn (non-habitable)	\$250 Minimum (or)
		\$.025 X sf under beam
	Moving of Houses or Modular Home	\$300
	Moving mobile homes or other structures	\$150
	*Sub Permits required if applicable	
	Plan Review	10,000sf or less = \$50 (or)
		Over 10,000sf = \$100
	Special Flood Hazard Area	\$150
	Demolition	\$150
_		
Pools	New Pools or Pool Renovations	\$250 Flat Rate
Mechanical	New Homes or Renovations	\$75 Minimum (or)
		\$.025 X sf under beam
	Changaaut	Ċ7F Minimum
	Changeout Electrical for Mechanical equipment	\$75 Minimum \$75 Minimum
	Electrical for Mechanical equipment	7.5 Millillidill
Plumbing	New Homes or Renovations	\$75 Minimum (or)
		\$.025 X sf under beam
		\$75 Moving of a building
Electrical	New Houses on Demonstrate	C7F NAIrrice van (n. a)
	New Homes or Renovations	\$75 Minimum (or) \$.025 X sf under beam
		3.023 X SI UIIUEI DEBIII
	Service change, repair, or alteration	800amps and less = \$75 (or)
	of electrical equipment	801amps and more =\$150
		801amps and more =\$150
	Temporary Pole and RV-Hook Up	
		801amps and more =\$150 \$75
	Temporary Pole and RV-Hook Up Temporary power (temp 30 or 60)	\$01amps and more =\$150 \$75 \$150 No Charge
	Temporary Pole and RV-Hook Up Temporary power (temp 30 or 60) Emergency call out for Occupied Electrical	\$01amps and more =\$150 \$75 \$150 No Charge
Cor	Temporary Pole and RV-Hook Up Temporary power (temp 30 or 60) Emergency call out for Occupied Electrical Non-Emergency call out for Service change, repair, or alteration after hours + permitting fees	\$75 \$150 No Charge
Gas	Temporary Pole and RV-Hook Up Temporary power (temp 30 or 60) Emergency call out for Occupied Electrical Non-Emergency call out for Service change, repair, or alteration after	\$75 \$150 No Charge \$300 250,000 or less = \$75 (or)
Gas	Temporary Pole and RV-Hook Up Temporary power (temp 30 or 60) Emergency call out for Occupied Electrical Non-Emergency call out for Service change, repair, or alteration after hours + permitting fees	\$75 \$150 No Charge
Gas	Temporary Pole and RV-Hook Up Temporary power (temp 30 or 60) Emergency call out for Occupied Electrical Non-Emergency call out for Service change, repair, or alteration after hours + permitting fees	\$75 \$150 No Charge \$300 250,000 or less = \$75 (or)
Gas Additional fees	Temporary Pole and RV-Hook Up Temporary power (temp 30 or 60) Emergency call out for Occupied Electrical Non-Emergency call out for Service change, repair, or alteration after hours + permitting fees New Houses or Renovations	801amps and more =\$150 \$75 \$150 No Charge \$300 250,000 or less = \$75 (or) 250,001 or more = \$150
	Temporary Pole and RV-Hook Up Temporary power (temp 30 or 60) Emergency call out for Occupied Electrical Non-Emergency call out for Service change, repair, or alteration after hours + permitting fees New Houses or Renovations Gas Piping only	\$75 \$150 No Charge \$300 250,000 or less = \$75 (or) 250,001 or more = \$150 \$75
	Temporary Pole and RV-Hook Up Temporary power (temp 30 or 60) Emergency call out for Occupied Electrical Non-Emergency call out for Service change, repair, or alteration after hours + permitting fees New Houses or Renovations Gas Piping only	\$75 \$150 No Charge \$300 250,000 or less = \$75 (or) 250,001 or more = \$150 \$75 1st re-inspection fee = \$50
	Temporary Pole and RV-Hook Up Temporary power (temp 30 or 60) Emergency call out for Occupied Electrical Non-Emergency call out for Service change, repair, or alteration after hours + permitting fees New Houses or Renovations Gas Piping only Re-Inspection fees for all disciplines	\$75 \$150 No Charge \$300 250,000 or less = \$75 (or) 250,001 or more = \$150 \$75 1st re-inspection fee = \$50 2nd re-inspection fee = \$75 3rd (or more) re-inspection fee = \$100
	Temporary Pole and RV-Hook Up Temporary power (temp 30 or 60) Emergency call out for Occupied Electrical Non-Emergency call out for Service change, repair, or alteration after hours + permitting fees New Houses or Renovations Gas Piping only	\$75 \$150 No Charge \$300 250,000 or less = \$75 (or) 250,001 or more = \$150 \$75 1st re-inspection fee = \$50 2nd re-inspection fee = \$75 3rd (or more) re-inspection fee = \$100 \$20 For Building Type Permits
	Temporary Pole and RV-Hook Up Temporary power (temp 30 or 60) Emergency call out for Occupied Electrical Non-Emergency call out for Service change, repair, or alteration after hours + permitting fees New Houses or Renovations Gas Piping only Re-Inspection fees for all disciplines Home Builder's Academy Fee	\$75 \$150 No Charge \$300 250,000 or less = \$75 (or) 250,001 or more = \$150 \$75 1st re-inspection fee = \$50 2nd re-inspection fee = \$75 3rd (or more) re-inspection fee = \$100 \$20 For Building Type Permits \$10 For Sub-Permits (Mechanical, Electrical, Plumbing, Gas,
